Consultations for the stargazing travel lover

What is an Astro-Travel Consultation?

Astrology is a great tool for understanding ourselves better, communicating with loved ones effectively, finding love and friendship, and even traveling to destinations around the world! As a believer in the balance of free will and destiny, I teach my clients how astrology can help them to better understand themselves, the choices they make, and how they interact with the world around them.

I'm a travel and food journalist who travels the world using astrology to boost my career, build community, date, and everything in between. I live by what I teach so I can tell you, from experience, what works and what doesn't.

Testimonials

Here are some testimonials and reviews from my past clients about their experience in a reading with me :)

MARIA MARTINEZ (SAN JUAN, PR)

"Sitting down with Shayna to look at my astro map was so helpful. It's so much easier to understand your chart when she's by your side. Sure, I could google to find answers that feel general, but having a back-and-forth with Shayna really helped me understand my journey, past and present. It also made me look forward to my future because now I have some tools that might help me along the way. Talking with her is like having a best friend astrologer right by your side 🧡"

ANDREA SOBIESKI (CALIFORNIA, USA)

"Exploring the intersection of astrology and travel with Shayna was an eye-opening journey. The insights into how celestial influences align with my wanderlust added a unique dimension to my travel experiences. A reading with Shayna is like having a cosmic compass guiding you to destinations that resonate with your astrological profile. Her personalized fusion of celestial wisdom and travel recommendations is truly exceptional."

JASMINE WALKER (NEW JERSEY, USA)

"I've always felt like astrology was a fun thing to discuss with friends but never took it seriously. After a couple of readings with Shayna, I saw how I could actually use astrology as a tool for my life. She really made it accessible to me."

BEENISH KHAN (CALIFORNIA, USA)

"I went into the consultation with zero expectations and just curiosity. I was blown away by your professionalism. I felt in good hands as you guided me through my chart. You were very receptive and let me take the lead in my own consultation. I felt like I was chatting with a close friend. Overall I feel like this is just the top of the iceberg and I'm excited to learn more with you :) "

Frequently Asked Questions

What can I expect from a consultation?

I'll take a look at your charts and discuss how they intersect with your responses to my brief questionnaire. Then we can deep dive into any areas of interest that you want. Time-wise, consultations are either 30 minutes or an hour.

Can I book multiple readings? Like a quarterly check-in or one before/after a big upcoming trip?

Yes! If you're interested in booking multiple readings, email me at shaynarconde@gmail.com so we can figure out a package for your needs.

I'm curious about astrology but I think it conflicts with my religion/faith. Do you have any resources for me?

As someone who grew up Christian, I get this question often. So often, in fact, that I wrote an article about how astrology shows up in the Bible, both in the Old and New Testaments. If you'd like to read it, it's available upon request for free.

Can I book a consultation on behalf of someone else, like my partner or family member?

Yes! You can book a consultation as a gift for a loved one. I'm also open to doing synastry reading for romance, friendships, and other kinds of partnerships.
